Pick up items are not templated or installed by Ultimate Granite Surfaces

We have provided for your convenience drawings of different items and shapes of shower pieces, jambs, vanities for all the information that we need to produce your items.

The Client/dealer is responsible for all sizes need for fabrication- your signature is your confirmation

Once we receive the correct sizes needed UP FRONT. We will price and then send back the contract for your signature. You will be confirming the following:

1. Correct Sizes for Fabrication
2. Price- material selection and finished edge on each piece.
3. Half down is required for order processing. Balance due upon pick up of your order.
4. Please come prepared on how your items will be properly transported.
